

HIPAA PRIVACY & SECURITY – BASIC COURSE

The Department of Health and Human Services (DHHS) has mandated annual privacy and security training, as well as regular reminders, for all employees of Covered Entities. Biologix Solutions' HIPAA training can help you and your organization meet this legal requirement, while encouraging an organizational culture in which all employees understand the importance of compliance.

Upon completion of this course, pharmacists and pharmacy technicians will be able to:

- Explain the Federal HIPAA Privacy, Security and the HITECH laws.
- List covered entities subject to the Privacy and Security Rules.
- Describe the business associates.
- List the Protected Health Information covered under the Privacy and Security Rules.
- Explain the contents of a Notice of Privacy practice and understand to whom the notice must be given.
- Understand the patients rights regarding PHI uses & disclosures.
- List safeguards to maintain patient privacy in day-to-day operations.
