RE: Infection Control for Dental Professionals

Dear Dr. Patel:

Your specific courses, as requested by correspondence dated January 10, 2013, are approved by the West Virginia Board of Dental Examiners to be given in the State of West Virginia. Each course has been approved for 2 credit hours. Approval is in effect until January 23, 2015. At that time it will be necessary to submit these courses for re-approval.

If you have any questions, feel free to contact me at your convenience.

Very truly yours,

SUSAN M. COMBS
Assistant Executive Secretary
